

Crommelin Hits Anew Military High Brass

Comes As Naval Air Power Is Cut

Washington, Nov. 18—(AP)—Navy Capt. John G. Crommelin fired a new blast at the military high command today even as the Navy announced a sharp cutback in the naval air power that he has fought to preserve.

In and out of official hot water for months, Crommelin has charged that the Navy's attack strength was being wrecked by Pentagon military planners.

Today the navy ordered a 20 percent reduction in naval combat planes. In addition, the navy said, six naval air bases will be reduced to a "skeleton" status. Cuts have been anticipated under the general military economy program. Today's order follows a recent lay-off order for 77 naval vessels. The army and air force are experiencing reductions also.

Asks Record Be Cleared
Lashing back against a severe public reprimand given him 10 days ago, Crommelin demanded that the record be cleared from his record "completely and forever" or that he be court-martialed.

The navy's 48-year-old stoic petri told a news conference he thinks the chances of getting a court martial now, on the strength of his latest broadcast, are "probably pretty good."

Admiral Forrest P. Sherman, chief of naval operations, who administered a scathing reprimand to Crommelin on Nov. 10, declined to comment immediately on the captain's demand.

Sherman said Crommelin's reply to his reprimand had been received in his office, but he had not yet read it and did not expect to get to it until late tonight.

Unprecedented Problem
Capt. Ira Nunn, executive aide to Sherman, said Crommelin's new outburst created an unprecedented problem for the navy.

Nunn cited article 1413 of U. S. Naval regulations, 1948, which provides that "no person in naval service may demand a court martial either on himself or any other person in the naval service."

Bitterly, Crommelin said a clique of top-level brass in the Pentagon was exploiting an "insatiable lust for power," and declared that it was seeking to carry on the old German high command strategy for military domination.

"Their plan is very, very, very close to a scheme drawn up by Hitler," Crommelin told newsmen.

"In fact, it's so close, this is it," he said in his letter replying to Admiral Sherman's reprimand, Crommelin said.

"It is the Prussian method of controlling the Reichstag."

Convicts' Gossip
Starts New Probe
In Hooper Murder

Detroit, Nov. 18—(AP)—State police decided today to dig up a trench on a farm near Lansing in an effort to find the gun used in the gangland-style slaying of State Senator Warren G. Hooper nearly five years ago.

State Police Commissioner Donald S. Leonard said the digging probably would be started next Tuesday.

The trench is on a farm two miles north of southern Michigan prison and five and a half miles north of Jackson. It was a farm set aside for D. C. Pettit when he was a deputy warden at southern Michigan prison.

The police decision to dig up the trench came after two convicts at the prison declared "scuttlebutt" (gossip) at the prison had it that the gun could be found on the farm.

The convicts told state police the Hooper slaying was plotted at the Pettit farm. Pettit has vigorously denied this.

Hooper was shot from ambush in Jackson county on Jan. 11, 1945. He had been in line to testify before a grand jury. The probe was said to have involved high-placed persons.

Hiss' Attorney Says Wadleigh Took Papers

By The Associated Press

Alger Hiss' attorney yesterday (Friday) said it was not the former state department official who stole government secrets for a prewar Soviet spy ring.

Adopting new tactics in Hiss' second perjury trial in New York, the defense named Julian Wadleigh, an admitted spy ring member, as the source of the famed pumpkin papers.

But the government countered late in the day by bringing to the witness stand Whitaker Chambers, chief ac-

touser of Hiss and the man who dramatically pulled microfilmed secrets from an old hollow pumpkin a year ago.

Also in New York, Judith Coplon, apparently lost her fight to escape a federal trial with Soviet engineer Valentin A. Gubichev on spy conspiracy charges. Federal Judge Sylvester H. Ryan swept aside defense motions and ordered the case to trial next Tuesday.

In San Francisco, government objections rang out in federal court as the defense wound up a long opening summary in behalf of Australian-born Harry Bridges, west coast leader of CIO longshoremen.

Then the government got down to brass tacks with its first witness in an effort to prove that Bridges lied at his 1945 naturalization hearing when he said he was not a communist.

Through narrowed eyes, Alger Hiss watched his old and bitter foe Whitaker Chambers, settle his bulky book in a federal court witness chair.

Chambers has been calling Hiss a spy ring tool for more than a year. For more than a year, Hiss has been denying the charge.

But last December, a New York grand jury indicted the handsome 45-year-old Hiss on two perjury counts. The jury said he lied when he denied giving state department secrets to Chambers and lied again when he denied ever seeing Chambers after Jan. 1, 1937.

Chambers and Hiss fought out their case last spring before another jury. But there was no decision. The jury was hung, eight for conviction and four for acquittal.

The public defender suggested a delay in the preliminary hearing, but Judge Dawson set it for Monday. Presumably Stroble then will be bound over for trial in superior court. Alexander said the trial can begin early in December.

A showing of premeditation is necessary for conviction of first degree murder, carrying the death penalty, but Alexander said: "Stroble's admission that he previously molested this little girl is sufficient evidence."

**ICC Asked To Help
Utility Companies
Get Additional Gas**

Chicago, Nov. 18—(AP)—The Illinois Commerce Commission today took under advisement a plea by five Illinois utility companies that the commission intervene to help them get a greater natural gas supply.

The companies are Central Illinois Gas and Electric, Central Illinois Light, Central Illinois Public Service, Illinois Power, and Citizens Gas Company.

Representatives of the companies and the commission conferred today. A commission spokesman said the companies want the state commission to recommend to the Federal Power Commission that "certain" allocations be made to the Illinois companies.

Allocations of the supply from Panhandle Eastern Pipelines will be made to several states. The extent of each state's share will be decided by the FPC.

The state commission spokesman said the allocations will be on a permanent basis and do not relate to the supply for the coming winter months.

MECHANIZED RAIL-LAYER
Chicago, Nov. 18—(AP)—The Chicago and Eastern Illinois railroad has begun its first completely mechanized rail-laying project.

The project was started yesterday over 73 miles of main line track between five miles north of Evanston, Ind. and Chicago. It is expected to be completed in 12 days.

The signal of more trials to come was in a state security police broadcast in which an unidentified commissioner advised the police.

The aim of the rotten western reactionary regime is to retain their positions in the world and to install that kind of regime in the socialist countries. The only way they can achieve this is to wage war, which is their last refuge.

"For that reason, they are sending spies and diversionist agents into our country. We must be more vigilant."

The latest two mass trials were held before the state court in Prague's big Pankraz prison, against a backdrop of widespread police activities apparently aimed at liquidating this country's middle class and weeding out the "unreliables" among the communist membership.

One was for 35 persons, four of them women. All were convicted and sent to prison. The second was for 23 persons, three of them women. Of this group, three persons were acquitted.

Acting as leader of the first group was Oldrich Novotny, 27, former security police officer who was fired when the communists seized power here in February, 1948. He court announced a death sentence, but then cut the penalty to life imprisonment. 19,000 crowns (\$290) and confiscation of Novotny's property.

Barbara and Reagen, 19, of Wilmette. She will be crowned Miss Northwestern for tomorrow's homecoming game with Northwestern.

Seven other girls were elected to Miss Illinois' court. They are Ann Robert, 21, Urbana; Elaine Vogt, 18, Oswego; Pat Kiska, 20, Chicago; Doris Erickson, 19, Chicago; Vera Lee Williams, 20, of Marion; Georgia Bushnell, 20, Rochelle; and Marie Rimoldi, 20, of Chicago.

Illinois News Briefs

Springfield, Ill., Nov. 18—(AP)—James Morelli, 23, doomed to die next Friday for murder, asked the Illinois supreme court today for a stay of execution so he can appeal to the U. S. supreme court.

The Illinois tribunal is in recess until Monday.

Alton, Ill., Nov. 18—(AP)—The 55-foot yacht Askov, enroute from Chicago to Tahiti in the Pacific ocean, passed Alton today. The boat probably will dock at St. Louis tonight.

Henry M. Hedges, Evanston, Ill., consulting engineer and owner of the vessel, rejoined the party at Alton. He had left the boat at Peoria to return to Chicago for a business transaction.

Salem, Ill., Nov. 18—(AP)—Edward J. Eif, Sr., 65, president of a Quincy construction company bearing his name, was injured seriously in an accident here yesterday. He suffered pelvic injuries when a truck backed over him at the firm's asphalt plant here. He was transferred today from Memorial here to Barnes hospital in St. Louis.

East St. Louis, Ill., Nov. 18—(AP)—The St. Clair County Medical society announced today endorsement of the withdrawal of two East St. Louis hospitals from the St. Louis Blue Cross plan.

The society also said it approved the entrance of the hospitals into the Illinois Blue Cross plan with headquarters in Chicago. The hospitals left the St. Louis plan Nov. 10.

Marion, Ill., Nov. 18—(AP)—Sheriff Lawrence Cannon said today that the Federal Bureau of Investigation had identified a body found near Marion Sunday as that of J. W. Harris, 71. Previously the body was identified by authorities here as that of John Ormsworth, who resembled Harris and who has not been seen in Marion nor Merin where he had sold pencils on the streets.

Mozier, Ill., Nov. 18—(AP)—John Preschmeyer is 83 years old and scorns the use of automobiles. A retired farmer, he rides a horse when he wants to go anywhere.

That's what he did Wednesday when he decided to go to Hardin, the county seat. It was a round trip of 34 miles.

Moline, Ill., Nov. 18—(AP)—Crime is going to the dogs in Moline. Mrs. V. Deacon missed a nightgown from her clothesline yesterday. Then a bedspread, several towels and a rug disappeared.

A few minutes later a collar entered the yard and tugged at a pair of slacks hanging on the line. Mrs. Deacon gave chase and soon recovered most of the missing articles. The dog is being held by police without charge.

Chicago, Nov. 18—(AP)—Police said two teen-age sisters shot and killed another girl today during noon recess at a negro high school.

The shooting apparently was the result of a school girl feud.

Lavon Cain, 13, a sophomore at DuSable high school on the south side, was killed by a bullet in her back.

Police said Wilma Howard, 14, another sophomore, and her sister, Edwina, 19, a recent DuSable graduate, fired upon Lavon with separate pistols.

William Brumlik, assistant state's attorney, said he placed together this account from signed statements given him by the Howard girls and their friends, Evelyn Rivers, 19, and her sister, Helen, 17.

Lavon and Wilma had been at odds for the last month. Wilma said Lavon often would push and bump her in school corridors and eating places.

The Howard girls talked the matter over with the Rivers sisters and decided to "scare" Lavon. Wilma took a pistol from home and Edwina borrowed another from the Rivers girls.

5 Killed In 6th Recent B-29 Crash; All Others Grounded

Crashes After
Take Off On
Rescue Work

Tampa, Fla., Nov. 18—(AP)—A B-29 off to hunt for another B-29 missing in the Atlantic crashed into the mud of Tampa Bay today and killed five of the nine-man crew.

It was the sixth B-29 involved in five disasters in the past 15 days—crashes which have taken 35 lives and left 20 missing.

The one which crashed today was just taking off from MacDill Field to hunt the missing 20 who were aboard a plane which crashed Wednesday somewhere off Bermuda.

The big plane was five minutes off the ground and barely 1,000 feet up when one of the motor developed trouble. Smoke poured out, then flames.

The pilot turned to make it back to the long runway but he failed by only 500 feet.

The ship was in its turn when it fell. It plunged into the muck of the bay 200 feet from shore, hitting on its nose and flipped over on one side.

Four of the crew were thrown clear of the fortress and suffered only minor hurts. Four were killed outright. The fifth died on the way to a hospital.

The ship was smashed into bits and only a segment of the tail remained.

Flames flared up from what little wreckage was left but the ebbing tide had left a sea of mud and firemen could not bring hose to the scene. A crashboat just couldn't make it.

Jeeps finally were able to take rescuers to the spot.

The plane was one of nearly 100 searching for the one down off Bermuda and was based at Walker Air Force base, Roswell, N.M.

Walker Air Force base identified the dead as Lt. Victor G. Thiel, Los Angeles, pilot; Lt. Kenneth W. Falck, San Francisco; Lt. John W. Gillespie, Cadiz, Ohio; Lt. Raymond H. Wolfe, Granite City, Ill.; Sgt. Andrew J. Steinman, Riverside, Pa.; Sgt. G. T. Ellis, Savannah, Ga.; Sgt. J. O. Hendricks, Olden, Tex.; and Sgt. F. E. Finland, International Falls, Minn.

Interviews Prohibited
Interviews with the survivors were not permitted.

In the Bermuda area, meanwhile, the weather grew more difficult but searchers were spurred by faint radio signals and the sighting of two red flares last night in the 100 by 35-mile search area northeast of the islands.

Officials said four planes were combing the pin-pointed spot where the signals originated. It was hoped to keep 70-odd planes on the search today but the weather threatened to cut the number materially.

**Lucas To Announce
Bid For Reelection
In Havana Soon**

Chicago, Nov. 18—(AP)—Senator Lucas (D-Ill.) said today he will formally announce his bid for reelection at a home town rally before Christmas, and he knows of no April primary opposition.

The Senate majority leader also told newsmen he expects to make few primary campaign speeches because he will be in Washington most of the time after congress reconvenes in January.

Lucas blasted isolationism and critics of the Marshall Plan earlier in a luncheon speech before 1,100 young Democrats.

Many of the young party workers had expected him to make formal announcement of his candidacy at the luncheon honoring him.

Instead he devoted most of his speech to defending Truman foreign policy programs which have been under attack by Everett M. Dirksen of Peoria.

Dirksen, a former congressman, has been campaigning actively since September for the GOP nomination for Lucas' seat.

After the speech, Lucas told reporters he will make his formal announcement of candidacy at a political rally in Havana, Mason county, Ill.

**SHOOT AT PAPER
DECOYS, HITS WARDEN**

La Salle, Ill., Nov. 18—(AP)—Frank Bing, a Hennepin hunter, shot at some ducks in a cornfield today.

But the ducks were paper decoys placed there by Hennepin Game warden George Bruer. Bing missed the ducks and his shotgun blast caught the warden in the face and one hand.

Bruer was not seriously hurt.

Lewis, Coal Operators Await Move By Other

Washington, Nov. 18—(AP)—John L. Lewis and soft coal operators today waited on each other to make a move. An operator spokesman disagreed.

The operators said it was up to union leader Lewis to ask for negotiations for a contract agreement. He has checked the hard case to the White House.

A three-week truce Lewis ordered last week in ending a 52-day strike expires Dec. 1 and the miners are expected to walk out again if a labor contract still is lacking. The old one expired July 1.

The latest word from Lewis Sunday was that he was waiting for "convenience" of the operators for a meeting. He said it was their move. An operator spokesman disagreed.

And Cyrus S. Cling, federal mediation service director, said he had no plans for calling peace meetings. He has checked the hard case to the White House.

**Russia Orders
Yugo Diplomat Out
On Spying Charge**

London, Saturday, Nov. 19—(AP)—Russia has ordered a Yugoslav diplomat out of the country on the grounds he has been spying, Tass, the official Soviet news agency, reported early today.

The Tass Dispatch, distributed here by the Soviet monitor, said the diplomat, Yugoslav Charge D'Affaires Lazo Lathovic, was accused of spying and subversive activities in a Russian note handed to the Yugoslav embassy in Moscow Wednesday. He was told he must leave the country.

Tass said two Soviet diplomats "recently" were accused of "engaging in anti-Yugoslav activities" in a Yugoslav note delivered to the Soviet embassy in Belgrade. Their departure was demanded, Thursday in Belgrade.

Tass also said a man named Kirsanov, a representative of the Soviet information bureau in Belgrade, had been called to the Yugoslav information headquarters charged with "hostile activity" and told to get out. The dispatch did not say when this happened.

"The U.S.S.R. ministry for foreign affairs has instructed Vladimir Zerkovich and Kirsanov to leave for the U.S.S.R.," Tass said.

**Rev. Manning,
Former Episcopal
Bishop, Succumbs**

New York, Nov. 18—(AP)—The Right Rev. William T. Manning, 83, former Protestant Episcopal bishop of New York for 25 years and a longtime foe of easy divorce, died in St. Luke's hospital today.

He entered the hospital Nov. 4 after returning from a vacation in Maine. The cause of death was announced as "a bladder and kidney involvement."

Members of his family and the hospital chaplain, the Rev. Otis R. Rice, were at his bedside when death came at 4:10 p.m. (CST).

The British-born Bishop Manning played a major role in the building of the huge Cathedral of St. John the Divine here. He preached his farewell sermon there three years ago upon his retirement. It was a defense of "the sacramental religion" of the scriptures and the Holy Catholic church.

A firm upholder of marriage as a sacrament, he criticized King Edward VIII for leaving the British throne to marry a divorcee.

He also expressed belief repeatedly in the eventual unification of all Christian churches, and denounced lotteries, paganism and the joint income tax return for married couples.

KILLED IN COLLISION
Canton, Ill., Nov. 18—(AP)—Robert Bail, 19, Canton, was killed today when his coal-loaded truck collided with a Rock Island railroad freight train 17 miles north of Canton.

The toll measurement of electricity, was named after Alessandro Volta, inventor of the voltaic cell, or "wet" battery.

**Plane Crosses Sea
With 103 Aboard**

Marham, Eng., Nov. 18—(AP)—A giant U.S. Air Force transport plane set down here tonight after a transatlantic flight with 103 persons aboard, more than ever before crossed the Atlantic in a single aircraft.

The 81-ton, four-engined globe-master, nicknamed "The Champ," completed its flight from Mobile, Ala., at 7:35 p.m. (1:35 p.m. CST). It averaged about 200 miles an hour for the ocean hop from Stephenville, Nfld.

The toll measurement of electricity, was named after Alessandro Volta, inventor of the voltaic cell, or "wet" battery.

**Barkley, Happily Wed, Heads
For 'Shangri La' With Bride**

St. Louis, Nov. 18—(AP)—Vice President Alben W. Barkley and her two daughters, Anne, 17, and Jane, 14, who were pretty bride were honeymoon bound standing at a front porch.

When the newlyweds reached the chapel vestibule, the vice president did something he failed to do immediately after the wedding ceremony. He kissed the bride.

"Wasn't he gorgeous?" Mrs. Barkley exclaimed later.

With the bride at the wheel, the newlyweds left in an automobile at 2:30 p.m. (CST) for an unannounced honeymoon destination. They had a motorcycle police escort.

The courtly bridegroom told newsmen he didn't know where they were going, then added:

"Of course we are going to Shangri-La, and that's a difficult drive over the Himalaya mountains."

A reporter asked wouldn't it be a bit early to be in Shangri-La this time of year, peratures for Friday as follows: High, 44, Low, 33; and at 6 p.m., 37. Sunset today, 4:43; sunrise Sunday, 6:49.

Forecast for Illinois—Partly cloudy and warmer today. High 50 to 54.

Orders All Superforts Modernized

Washington, Nov. 18—(AP)—The Air Force today grounded all B-29's which have not undergone engine "modernization." Also ordered out of the air were Superfortresses that have encountered heavy going that strained them.

The order follows a series of disastrous crashes.

There was no estimate of the number of planes involved.

The temporary grounding order will be effective until all planes involved have been inspected.

Vandenberg Herds Orders
Gen. Hoyt Vandenberg, Air Force chief of staff, sent messages to all Air Force commands after conferring with Lt. Gen. Curtis E. LeMay, head of the strategic air command.

Besides the planes which have not had power plants "modernized," the grounded B-29's are those which have been subjected to "maximum stress."

At the same time, General Vandenberg ordered the engine modernization program speeded up "as another step to keep accidents to the minimum."

Search Planes Exempted
An exception was made for planes participating in the search for a super fortress missing off Bermuda since Wednesday. All other B-29s covered by the directive were grounded at their home stations.

The Air Force now operates 10 B-29 groups. A group normally consists of 30 planes. However, for security reasons, the Air Force declined to say how many of the planes have not undergone the engine modernization or been subjected to heavy stresses.

The last superfortress was built only a few months after the end of the war. However, a large number were stored unused. A total of about 4500 B-29s were built, of which approximately 500 are in the operating fleet now.

**U.S. Has Failed
To Contact China
Reds About Ward**

Washington, Nov. 18—(AP)—The state department reported today that all its efforts to make "effective contact" with Chinese communist authorities on the Angus Ward case have thus far failed.

Speculation persisted here that one of the next moves might be an appeal to Russians for aid in obtaining the release of the famed consul general at Mukden, China. But the state department maintained strict silence on its plans.

The latest report from Vice Consul William N. Stokes at Mukden showed that Ward and the four staff members arrested with him October 24 were still imprisoned and possibly themselves have no hope of early release. They have asked for reading material.

The state department's official disclosure of the complete failure of its efforts to date came in the course of a reply made to Rep. Fulton (R-Pa.) on offer he had made to serve as a hostage for Ward. Fulton said he acted in hope it would bring about "a definite policy" for protection of U. S. officials.

**Air Force Flies
Leukemia Victim
To Boston Hospital**

Fairfield, Calif., Nov. 18—(AP)—A mercy flight for which generals snipped the red tape carried a leukemia victim to Boston today and the hope of medical help.

Doctors at El Toro Marine base at San Diego several weeks ago discovered symptoms of leukemia in 15 months old Sharon Kay Badger, daughter of Lt. and Mrs. Guy O. Badger. Leukemia is a cancer-like disease of the white blood cells.

When Sharon became progressively worse, the doctors decided to send her to specialists at the Boston Children's hospital. The word was sent to Washington. A marine general called an air force general. A flight priority order came back promptly yesterday.

Sharon accompanied by her parents and flight nurse Lt. Madeline Seaback of Danville, Ill., left at 7 a.m. today in a military air transport plane piloted by Lt. Niles Bradshaw of Mesa, Ariz. She's due to reach Westover Field, Mass., tonight.

**Cops Find Safes;
Expert Finds They
Weren't Locked**

Chicago, Nov. 18—(AP)—Police weren't too excited about finding a store of narcotics and a large supply of men's clothing in a raid today on a south side apartment. They were much more curious about two small safes they found.

Ent the apartment tenant, Wesley "Tarp," Lewis, a negro whom police described as an ex-convict and dope peddler and receiver of stolen goods, wouldn't open the safes. He refused to give the combination.

They hauled Lewis off to headquarters for questioning, got a search warrant, rounded up an expert safe craftsman and returned.

The expert knelt before a safe, blew on his fingers, and gave the handle a test pull. The unlocked door swung open. He tried the second safe. It was unlocked, too.

Police said the safes contained cash, but didn't say how much.

WEATHER
The Norbury Sanatorium, cooperative observer for the U. S. Weather Bureau, yesterday reported the temperature for Friday as follows: High, 44, Low, 33; and at 6 p.m., 37. Sunset today, 4:43; sunrise Sunday, 6:49.

MEAT FOR QUIZZERS

(Indianapolis News)

When the Hoover commission on reorganization of the government turned its attention to the Reconstruction Finance corporation, it was far from satisfied with what it saw.

"Our task force strongly recommends," the commission reported, "the liquidation of this corporation." The Hoover experts found that while the RFC had done a good job in the 30's, it had since gone too far into financing functions that properly belong to private enterprise.

That sounds like common sense, especially in light of the views expressed Thursday by Emil Schram, Hoover president of the New York stock exchange and former RFC chairman.

When the former boss of the RFC bluntly states that Congress should look into the RFC's lending practices of recent years, there is good reason to suspect something may be wrong. Its loans to some widely known firms, and the subsequent hiring of RFC officials by those firms, for example, has left an unpleasant odor.

What is worse, as Mr. Schram pointed out, the RFC's recent actions actually are a discouraging incentive for private ownership.

Congressmen seem to love to investigate. Here is a "natural" for them.

THE DOCTOR SAYS:

Goiter Treatment Depends On Many Different Factors

BY EDWIN P. JORDAN, M. D.
Written For NEA Service

An enlargement of the thyroid gland or goiter can produce any one of several different symptoms. The enlargement may be general and the entire gland involved. This is called a diffuse goiter. The gland may be enlarged in places in the form of growths or nodules and this is called a nodular goiter. In such cases, the gland feels rough and irregular. It can be enlarged likewise by cysts and other conditions.

Regardless of the type of enlargement the gland may continue to function fairly satisfactorily. Sometimes, however, the secretion becomes excessive or abnormal and causes what are known as toxic symptoms. In other words one can have a simple nodular goiter, a toxic nodular goiter or a toxic diffuse goiter.

Treatments Vary
The treatment of a goiter depends on many factors which have to be analyzed in each individual case. Sometimes it is treated simply by watching the condition rather than by any active measures. A toxic goiter, either of the nodular type or the diffuse type, generally requires some definite treatment. Up until recently the best treatment was almost always operation, that is, removal of a considerable portion of the diseased thyroid tissue. This was a highly successful procedure and is still frequently advisable and done with success.

Recently new methods of treatment have proved effective, at least in some cases. These methods include a medicine of one of the thyroid glands of the neck of a cow, fluid containing iodine which has been made radioactive.

Goiter's still an important medical condition, but is less common than it was in the past, probably because of the widespread use of iodized salt which has been shown to prevent the development of many goiters.

Note: Dr. Jordan is unable to answer individual questions from readers. However, each day he will answer one of the most frequently asked questions in his column.

Judges Appoint Andrew Ormiston Public Defender

The appointment of Attorney Andrew A. Ormiston of this city as public defender for Morgan county was announced Friday by the three judges of the Seventh judicial circuit, Judges Clem Smith, L. E. Wilhite, and DeWitt S. Crow.

ANDREW A. ORMISTON

Attorney Ormiston was appointed to the duties as public defender for one year, effective Nov. 1 this year. The office of public defender in counties with more than 35,000 population was created by an act of the last legislature. Prior to the enactment of the law, a public defender was required only in counties where the population is in excess of 500,000.

The public defender will represent only defendants who do not have financial means to engage counsel. The court has always appointed attorneys to represent defendants without funds, but under the new arrangement the defender will serve in these particular cases. Defendants are required to make affidavit that they are without funds.

After the passage of the new law the Morgan county board of commissioners appropriated \$600 to defray the cost of engaging a public defender for one year.

Members brought donations of books and clothing for the southern Christian Institute. These will be sold through the Institute's co-op store. A special collection was taken for the Christian Home.

Mrs. Lee Sullivan gave the missionary lesson. A report of the Disciples International convention in Cincinnati, O. was presented by Mrs. Robert Ray.

Refreshments were served by the hostesses, Mrs. Metta Lester, Mrs. Mrs. Poole, Mrs. Margaret Scott, Mrs. Brown, Mrs. Anna Smith, Mrs. H. I. Simonds and Mrs. Albert Biggs.

Women of Lutheran Church Have Meeting
The women's group of Faith Lutheran church held a meeting at the home of Mrs. J. C. Smith, with 13 members and two guests in attendance.

The topic, "Convention Conversation," was given by the leader, Mrs. Kenneth Meyers. It was decided to send a Christmas donation to the Rocky Boy Indian Mission.

During the social hour, refreshments were served by the hostesses, assisted by Mrs. Gus Kliver.

An ovation supper will be held Nov. 22 with Mr. and Mrs. Frederick Hammer.

Mrs. Wheeler Sloman of Pawnee, Ill., foreign missions vice president of the Women's Missionary societies in the Springfield Association of Baptist churches, was guest speaker. Mrs. Sloman's subject was "Japan," and in her talk she stressed the necessity of a better understanding by

the people of the United States for the problems of the Japanese people.

Mrs. Sloman said the women of Japan are now given more freedom, but that family traditions are still evident. She described the problems of food, clothing and housing, and explained how they are being met. The speaker said General Douglas MacArthur encourages missionary work in Japan, and urges the sending of Bibles to the Japanese people.

The business session was conducted by Mrs. A. J. Stewart. Various committee reports were given. A contribution was voted to the Baptist home and hospital at Maywood, Ill.

A social hour with refreshments followed the program and business meeting.

Youngblood Aid Meets At Palmyra

A varied program was presented at the meeting of the Youngblood Ladies Aid society, which was held at the home of Mrs. Sylvia French in Palmyra. A potluck dinner was served.

Included on the program were group singing; scripture by Mabel Whitlock; prayer by Lois Van Beber; and poems by Frances Mutch, Mrs. Baker, Beulah Mutch, Irene Whitlock, Lois VanBeber, Sylvia French, Vera Sorrells, Ida Vedder and Marjorie Mutch.

Guests at the meeting were Mrs. Baker, Beulah Mutch, who became a member, Marjorie Mutch, Harry Whitlock, Dorothy Jean French and Charles Mutch.

The next meeting will be held at the home of Mrs. Vera Sorrells, with Lois VanBeber as hostess.

Chief Engineers At 3 Institutions Complete Course

Clark Hindsell, Orville Russell, and Clarence Wooten, chief engineers at the School for the Blind, School for the Deaf, and Jacksonville State hospital, have returned from a training conference at the University of Illinois. They will now conduct training for their own power plant employees, Leo J. Flood, Daniel T. Cloud and Dr. Louis Bellinson, superintendents of the three state welfare institutions, announced Friday.

The week-long conference was arranged by the University's division of extension and the Illinois Civil Service Commission. Lectures were given by instructors from the college of engineering.

A similar workshop was conducted in 1948. The chief engineers then gave instructions to approximately 250 employees at their individual power plants. This year they were given advanced instruction in power plant operation and maintenance.

Thirty-two chief engineers attended the conference last week. They represented the State Departments of Public Welfare, Registration and Education, Public Safety, Office of the Secretary of State, and Southern Illinois University.

Topics discussed at the conference included boiler operation, generators, refrigeration, and heating.

Mrs. Geo. Walker Of Winchester Dies Here Friday

Mrs. George R. Walker, rural route one, Winchester, passed away Friday at 2 a. m. at the home of her daughter, Mrs. Martha Hickox, 225 Howe street. Death followed a short illness.

The former Laura S. Wiser, daughter of the late Mr. and Mrs. Herman Wiser, Mrs. Walker was born at Palmyra on Nov. 12, 1875.

Her marriage to George R. Walker took place at Winchester in 1894. He preceded her in death in October of 1942.

The couple spent all of their married life in Winchester, with the exception of three years in Oklahoma and one year in Palmyra.

Mrs. Walker is survived by eight children, Hayden Walker of this city; A. L. Walker of Carrier Mills, Ill.; I. B. Walker and H. Dale Walker, both of Winchester; Mrs. Mayne Murray and Mrs. Martha Hickox of Jacksonville; and Mrs. Troy Carter and Mrs. William Burke of St. Louis.

Also surviving is a brother, Walter Wiser of Palmyra, and 14 grandchildren and nine great grandchildren.

Funeral services will be held Sunday at 2 p. m. at the Bloomfield Baptist church, west of Winchester. Rev. Henry Spencer will officiate. Burial will be in Bloomfield cemetery.

The body is at the Danner Funeral Home in Winchester, where the family will receive friends from 7 to 10 o'clock Saturday evening.

President Proclaims Thanksgiving Day

Washington, Nov. 18.—(AP)—Here is the text of President Truman's Thanksgiving Day proclamation: "In accordance with our cherished custom, let us pause from our labors for one day in this autumnal season and offer prayers of thanks to the divine giver of our bounty."

We are grateful for the plentiful harvests of our fields, for the abundance of goods produced by our industries, and for the multitude of spiritual blessings which enrich our lives.

We are thankful that our resources enable us to aid the peoples of other countries in the furtherance of economic well-being and security.

We deeply appreciate the strength of our Democratic institutions and the preservation of those ideals of liberty and justice which form the basis of national stability and international peace.

The times demand more than the wisdom of man can provide. There should be in the hearts of all good men and true a realization that as the Psalmist said: "There is no King saved by the multitude of an host; a mighty man year of our Lord nineteen hundred and forty-nine and of the Independent."

In witness whereof, I have hereunto set my hand and caused the seal of the United States to be affixed.

Done at the city of Washington, this tenth day of November in the multitude of an host; a mighty man year of our Lord nineteen hundred and forty-nine and of the Independent."

Tells Of Tour In Western States

Mrs. Clifford Davis was here Tuesday afternoon to members of the Orléans Woman's club, at which the program was given by Mrs. Wayne Kinnett who described her recent tour through western states.

Mrs. Kinnett told of the many natural wonders and historical places she visited. In conclusion she showed pictures of her trip to Florida.

Mrs. Clyde Cox presided at the club meeting in the absence of the president. A collection of \$6.75 was taken, \$5 of which will be contributed to the Community Chest.

Members were requested to take a package for a Christmas gift to the next meeting, which will be sent to the Park Ridge school for girls.

Refreshments were served by the hostess, after which the club adjourned to meet Dec. 12 with Mrs. Wayne Kinnett.

Three University of Texas football players were all-state players in high school—Ray Bonnerman (1941, Newell Kane (1945) and Reed Quinn (1947).

Passavant School Of Nursing Given Group II Rating

The school of nursing of Passavant Memorial hospital has been highly honored by being given a Group II rating as published in the American Journal of Nursing, November 1949.

Both the school faculty and the nursing school committee have worked diligently during the past two years to deserve this national rating.

The school is affiliated with Illinois College for one school year and students receive actual, transferable college credit. It also has three clinical affiliations: Illinois School of Psychiatric Nursing, Jacksonville State Hospital, Milwaukee Children's Hospital, and Mercy Hospital, Chicago. The school rank was further strengthened by its scholastic record of no state board failures for nine years.

This classification of schools was made by a committee appointed from all the national nursing organizations. The information on which the survey was made was voluntarily submitted by 1155 schools of nursing in the United States, Hawaii, and Puerto Rico, the American Hospital Association, and the American Medical Association.

25% In First Group
School ratings based on the above survey were published in the November issue of the American Journal of Nursing. The following quotation from this magazine explains the list of schools published: "Group I includes the upper 25 per cent of all basic programs in nursing and Group II includes the middle 50 per cent of all basic programs in nursing. Not included in the list is another 25 per cent of all basic programs—those with the lowest national standings."

The following are the chief traits which characterize schools listed in Group I: a daily average of 200 patients; a graduate staff of 50 nurses or more; a 50-hour work week for students; and an enrollment of 50 or more students. The Passavant nursing school is well able to meet these requirements chiefly because of limited bed capacity. The new Passavant hospital will largely overcome this difficulty and make other requirements possible. Well qualified instructors are being brought into the school in order to meet faculty requirements as set by the National Committee for the Improvement of Nursing Service. The next survey will be made in 1951 and at that time Passavant School of Nursing expects to be in Group I.

Baseball Writers' Assn. Picks Robinson Most Valuable In NL

New York, Nov. 18.—(AP)—It was his home in St. Albans, Queens, N.Y., where Jackie Robinson, Jr., today, as his father—second baseman for the Brooklyn Dodgers—gave a birthday party and took a few bows himself. Jackie, Jr., is three years old, the only child of Robinson and his wife, Rachel. Robinson said, however, that they were expecting an addition some time in January.

"Of course, this comes as a nice surprise," the second baseman of the pennant-winning Dodgers said.

Irish Favored To Trim Their Ancient 'Jinx' Iowa Today

South Bend, Ind., Nov. 18.—(AP)—Undeclared Notre Dame, a five-time favorite, meets an eight-time "Jinx" opponent—Iowa's season-closing Hawkeyes—before 57,000 at Notre Dame Stadium tomorrow.

The Irish, in the home stretch of their bid for a fourth straight unbeaten season, will be seeking their 26th game without defeat. The string includes a 14-1 tie with Southern California last year and a scoreless deadlock with Army in 1946.

It was an Iowa team which on Oct. 8, 1921, shattered the longest defeatless Notre Dame streak under the late Knute Rockne. That favored Irish club was seeking its 23rd decision without a loss when it bowed to the Hawkeyes, 10-7, at Iowa City.

The lustre was scraped off tomorrow's contest when Iowa took a 35-7 trimming from Minnesota two weeks ago and lost to Michigan, 35-13, last week. Iowa has a 4-4 record for the season against Notre Dame's perfect 7-0.

The all-time record shows four wins for Notre Dame and three for Iowa.

Purdue, Indiana Classic Sold Out

Bloomington, Ind., Nov. 18.—(AP)—Grey, chilly weather was forecast for the 52nd football meeting of Purdue and Indiana here tomorrow before a sellout crowd of 53,000.

With both clubs winding up losing seasons, it'll look like a beautiful day to the winner.

Purdue leads 26-20 in the series, with five ties, but Indiana is only a couple of games behind in the 24 that have been played for the old oaken bucket. This is a battered old water pail supposedly used by Morgan's raiders in the Civil War.

Purdue, with 17 squanders on its squad, was favored.

Shuman Re-elected IAA President

Chicago, Nov. 18.—(AP)—Charles B. Shuman of Sullivan was re-elected president yesterday of the Illinois Agricultural Association which closed its 34th annual convention.

Floyd E. Morris of Buffalo was re-elected vice president, and Alfred Reister, Omaha, Ill., and Harold Hartley, Centralia, were elected as directors. All other directors were re-elected.

Wessler, Lovekamp Lead Arenzville To 53-44 Victory

Arenzville—Don Wessler poured in 24 points and Dick Lovekamp netted 21 to pace a roaring Arenzville quintet to its second game win of the year and ruin Cecil McVey's Virginia five's opener here last night. The Alutze-coached Arenzville club maintained a steady scoring pace throughout the ball game to come up with a 53-44 victory.

King, Virginia forward, garnered 18 points for his night's work while the Arenzville reserves ripped the Virginia seconds 28-16 in the curtain-raiser.

Both Arenzville and Chapin have been successful in two contests up to now. Bond and Wessler were instrumental in the wins. In fact they carried the load. Wessler a senior at Arenzville indicated that he's going to bow out in a blaze of glory this trip by ripping the cords for 24 points against Virginia last night while Bonds was netting 18 counters and pacing his Chapin outfit to its second victory of the short season.

Speaking of good big men, we can't help but wonder what happened to Franklin's Bill Rawlings in last night's opener with Chapin. Rawlings, billed as a ball of fire last season until he broke his ankle, started off the year with three big eggs in the scoring column. His failure to score while Bonds was pouring 'em in for Chapin spelled the difference between victory and defeat.

In tribute to instructor George Krog, victim of polio, Bluffs high school closed its doors yesterday afternoon and cancelled a basketball game with Griggsville. Krog, a leader of youth movements, did some wonderful work with the grade school boys at Bluffs and his death leaves a hard-to-fill vacancy in the faculty.

Major Grains Are About Cent Higher

Chicago, Nov. 18.—(AP)—A small-scale buying movement was enough to record gains ranging to around a cent in major grains on the board of trade today. All cereals participated in the upturn with the market featured by a lack of selling pressure.

Export business in corn, and the possibility of some developing in wheat, served as the spark to set off the buying. There also was an unconfirmed rumor that the federal Crop Insurance corporation might buy red wheat, which has acted as a drag on prices here.

Receipts were: wheat three cars, corn 217, oats 12, rye none, barley 21, soybeans 33.

Wheat closed 1-1/2 higher, December \$2.11-1/2, corn was 1/2 to 1/4 higher, December \$1.23-1/2, oats were 1/4 higher, December 74c, rye was 21 to 3 cents higher, December \$1.33-1/2, soybeans were 2 to 2 1/4 higher, November \$2.23-1/2, and land was 5 to 20 cents a hundred pounds higher, November \$9.75.

VESSELS RETURNED

Yokosuka, Nov. 18.—(AP)—All 27 patrol type frigates loaned to Russia under wartime lend-lease have been returned to the U. S. Navy, it was announced today.

The vessels, which displace 1,430 tons and have an overall length of 304 feet, were returned here in groups of nine. The last arrived this week.

Michigan, Ohio State Tilt Tell Rose Bowl Team

Ann Arbor, Mich., Nov. 18.—(AP)—An electric spark jumped through the Michigan football camp today as the Wolverines wound up preparations for Saturday's all-important showdown with Ohio State.

"This is it," was the feeling expressed by Coach Bernie Cooverbaum, and his squad as they pranced through a final limbering-up session in dead earnest.

Then, with their minds on the possibility of beating Ohio State and taking a third outright title for Michigan, an unprecedented feat, squad members dispersed to their homes for the night.

And plenty of thought was directed at the Buckeyes, encamped for the night in Toledo, Ohio, who can also take the Big Ten title and the Rose Bowl assignment as well.

Cooverbaum pinned his hopes on the strong Michigan line and his backfield tycoons, Chuck Ortmann and the newly-recovered Leo Kocinski who was injured a month ago.

But every coach in the Michigan camp is expecting Michigan to have its hands full of the job of trying to stop Wee Fesler's 16-cylinder runners and the precision pass work of Pandel Savic.

A capacity crowd of 97,339 has long been assured for the contest.

Probable Starting Lineups:

Jacksonville Coaches Conclude First Week Of Basketball Drills

Local basketball squads concluded drills on the I.S.D. boards—from 9 to 12 midnight.

Bill Shouse, all-conference guard from hardwood A to Z as they view their respective outfit's qualifications for a successful season.

All four coaches voiced one standard complaint. Just off the gridiron, the boys have, as yet, failed to work off the rough edges acquired after competing in the more rugged sport.

Other plants included lack of defensive ability and the rapidly with which the first game date for all—Nov. 29—is approaching.

Crimson Improving Fast

John Chapman, new coach at JHS, has brought his eager young players to 13 and plans to stick with these boys throughout the tough 20-game schedule. His only comment last night was "we need to work on defense," Chapman is touching his leads in firework tactics and seems to think that he has the size, speed and "shots" to make such court strategy succeed.

Spike Wilson, cut 190 way, is taking things easy—if you can call it that. Wilson is running in the Big Ten pack, taking things easy and Northwestern, close behind, are in a 4-2 record here to date.

An ill homecoming threat of 67,000 will be on hand as the underdog Wildcats from Northwestern try to square the traditional rivalry.

"Leo Cren's eye is as sharp as ever, but we're handicapped where size is concerned," confided the Tiger tutor. Wilson has held back on scrimmage sessions to date, but plans to break loose with some tough drills next week.

Routt Has Size

"The boys are still rough from football, but we're rounding into condition as well as can be expected," stated Routt mentor Paul Stroud while viewing a heated scrimmage session in the east-side gymnasium Friday night.

Sonny Longman, speedy little forward, has been sick the past few days and unable to practice. "Without Longman, we're lost," said Stroud. "But we can make up for lack of speed with size." The Rockers are bolstered in the rebound department by four six-footers—Paul Sanner, Bill Kaufmann, John Kenney and Dick Cader.

Al Miller, with last year's success, still has a long way to go. He is still finding reasons for worry. Finding time to practice is Miller's biggest problem. The past week has been spent in lengthy scrimmages.

Three-I League Will Study Revised Constitution Soon

Chicago, Nov. 18.—(AP)—The Three-I League will study a revised constitution and vote on Cedar Rapids, Ia., as a new member at its annual meeting here Saturday and Sunday.

Cedar Rapids, formerly a Sunday Association club, has purchased the Springfield, Ill., franchise in the Three-I league from the St. Louis Browns. Springfield backers, however, until Dec. 1 to find a new major league sponsor.

The constitution revision committee includes Bob Coleman of Evansville, Ind., John McWherter of Springfield, and Tom Rigney of Waterloo, Ia.

A report is expected from Davenport, Ia., representatives on progress in an effort to sell \$200,000 worth of stock for purchase of the club from the parent Pittsburgh Pirates.

MU Meets Kansas For 53th Time

Lawrence, Kas., Nov. 18.—(AP)—The Missouri Tigers and Kansas Jayhawks will meet in their 53th football game here tomorrow. It is expected to develop into a nip-and-tuck affair.

The Big Seven conference attendance record of 40,043 set here by the same teams two years ago, likely will be broken. The weather may favor the home team.

Missouri will be shooting for the second place clinch in the final Big Seven conference standings and is rated a one touchdown favorite.

The Ohio University stadium will include a new staircases steel press box for 150 newsmen, and 16 radio and television cubicles for the 1950 football season.

Wife Slayer Hanged In Jail

Walla Walla, Wash., Nov. 18.—(AP)—A wife slayer who refused to walk to the gallows was carried out of his cell and hanged early today at the state penitentiary.

Prison officials told Wayne L. Williams to a board and applied arm and leg straps before taking him to his execution.

Williams, 32, was convicted of beating his wife, Hallie Lucille, 27, with a rock and pushing her body over a steep cliff overlooking Puyallup Sound June 27, 1947.

He also beat his four-year-old daughter, Mary Eileen, and pushed her over the cliff. The daughter survived.

ACCUSE DEALER OF SELLING COWS WITH FALSE TEETH

Droxford, England, Nov. 18.—(AP)—The food ministry accused Douglas Clay today of selling it nine cows with false teeth.

The ministry said Clay peddled the beasts for meat—young cows, which have not had calves and which bring higher prices.

You can tell a cow's age by its teeth. The ministry claimed the front teeth of all nine had been pulled and replaced with beef teeth.

Clay, a 26-year-old cattle dealer, denied the denials was his work.

He said the cows must have been that way when he got them.

The food ministry charges it was defrauded of \$483 (\$1,632.40 on the deal.

A magistrate is deliberating the case.

The pre-Big Seven Conference basketball tournament at Kansas City is slated for Dec. 27-29-30.

Now that we have discussed the system looks complicated at first, actually it becomes very simple after a little study. Here are the fundamentals:

Each horizontal line on the score sheet (2) represents a game for one player. Each line is made up of 10 by 10 large squares, usually referred to as "frames." Ten of these frames constitute one game.

For every frame a player may total of the two small squares is the bowl his ball twice. The small square for the frame. In 10 for example, the first ball knocked 3 pins, the second knocked down 5, the number of pins knocked down making a total of 8 for the frame. In the next installment we will discuss the discussion of scoring down by the second ball is marked in the "marked in the second square. The "ING" care of this newspaper.)

Maybelle Parrott, Nurse, Clubwoman, Dies Here Friday

Miss A. Maybelle Parrott of 111 S. Clay avenue, who was a nurse and a member of many local organizations, died at Our Saviour's hospital at 7 p.m. Friday.

She was born at Rushville Nov. 28, 1876, the daughter of Josiah and Annie Seely Parrott, who moved to Jacksonville when she was a young girl. She attended MacMurray College and took nursing training at Michael Reese hospital in Chicago.

During World War I she served as a nurse in France. Upon her return to this country she went to California and practiced nursing until three years ago, when she came back to Jacksonville.

The deceased was a member of the Grace Methodist church, the American Legion, Philatheta Sunday school class and the Business and Professional Woman's club. She was secretary of the D.A.R. and W.S.C.S.

She is survived by five nieces, Mrs. R. L. Taylor of Columbus, Ohio; Mrs. Leroy Williamson of Detroit, Mich.; Mrs. Arthur Lieb of Quincy, Ill.; Mrs. E. Day of Tulsa, Okla.; and Mrs. Harry Preston of Houston, Texas; and one nephew, Frederick Parrott of Houston. She also leaves a brother-in-law, J. M. Gettys of St. Louis, and a sister-in-law, Mrs. Herbert Parrott of Denton, Texas.

The body is at the Reynolds-McAmerican Legion, Philatheta Sunday.

Services will be held Monday at 10 a.m. at the Reynolds-McAmerican Legion. The family will receive friends from 7-9 p.m. Sunday. Burial will be in Diamond Grove cemetery.

Says Turkeys Try To Commit Suicide All Their Lives

Chicago, Nov. 18.—(AP)—The turkey you'll place on your Thanksgiving table was a healthy, mature bird in spite of itself.

Turkeys, according to an Indiana poultryman, spend most of their time trying to commit suicide.

It isn't visions of Thanksgiving that drive them to self-destruction. It's stupidity.

So says Neil Morrow of Hebron, Ind., who sent 12,000 turkeys to market last year and expects to export that figure by 3,000 this year.

"Turkeys are the craziest critters on God's green earth," says Morrow. "You just can't figure on the amount you'll end up with until they're shipped."

The greatest threat to a gobble's life is the turkey itself. Morrow claims. If a flock of birds is not watched carefully, it is apt to become excited and stampede into a pile of another bird.

The gobblers also have a cannibalistic tendency which leads them to turn on an injured member of the flock and peck him to death.

Rev. L. G. Houston To Attend United Nations Seminar

Rev. Leslie G. Houston, minister of Central Christian church, will attend a United Nations Seminar in New York City Nov. 28 to Dec. 1.

One hundred ministers of churches of Disciples of Christ throughout the nation will assemble at the Marble Collegiate church of New York City on the evening of Nov. 28 for orientation lectures before attending the sessions of the General Assembly of the United Nations at Lake Success on Nov. 29, 30, and Dec. 1.

This seminar is part of a larger project of acquainting the leaders of the Disciples of Christ churches with the mechanics and values of the United Nations.

Ollie A. Staley Dies Yesterday At Passavant

A colorful chorus of 70 voices lends a gala spirit to the setting. The hotel band is not only featured, but assists in some numbers. The eight and nine's antics and songs contribute atmosphere and fun to a pleasant vacation.

The 10 front row dancing Rockettes execute difficult routines as well as lend beauty to the show. They are Joan Crawford, Shirley Brin, Shariene Evans, June Hardwick, Virginia Hollowell, Betty Mills, Pam Sims, Shirley Smith, Marilyn Todd and Elmer Woodbridge.

The production is under the direction of Miss Fergene Gordin, chairman; Mrs. Isabel Baptist, Miss Irene Groves, Mrs. Betty Longenebaugh, Miss Helen Richards, Miss Maurine Self and James Welch.

Other committees are, program, Harold Brown; scenery, Miss Ruby Mann; Miss Helen Paschall; lighting, John Boatwright, Lewis Brant, Jim Meyers, Fred Richardson; tickets, Miss Adelaide Durlay; Miss Annie Moore, John M. Hollowell; ushers, Mrs. Gladys Rust, Paul Dillon; publicity, Pat Hughes; printing, Giles Woolf; curtain, John Walker.

Christian Youth Plan To Attend Sunday Breakfast

Sunday at 7:30 a.m. the young people of Central Christian church will meet for a fellowship breakfast under the auspices of a special planning committee of the Christian Youth Fellowship.

An actively award plan will be presented at this breakfast, looking forward to the presentation of Christian Youth Fellowship plans at Christmas time to those who have qualified.

At the Sunday evening fellowship hour this Sunday, the worship committee of the CYP is planning a special Thanksgiving emphasis in charge of Elizabeth Newberry.

Thanksgiving decorations and music are being arranged for by the worship committee headed by Patricia Garlick. A vocal solo will be presented by Mary Faustman, accompanied by Eldona Oyster.

The president of the Christian Youth Fellowship is Miss Barbara Black. The general adult advisor is Miss Marguerita Schoedack.

Adult advisor of the worship committee is Mrs. L. G. Houston.

The discussion groups each Sunday evening are led by Miss Schoedack and Louis Boddy, with the help of Miss Marie Bossert. The meals each Sunday evening are arranged for by the parents of the young people, under the direction of Mrs. Guy Symmonds.

HIGH-FLYING NEWSPAPERBOY — When Stan Moore of Rawlins, Wyo., is late with his papers, his customers look for him with a pair of binoculars. Stan delivers a paper to 100 ranchers by airplane in the Rawlins area every Sunday morning. He uses pinpoint bombing technique and claims he's never missed a ranch yard yet. Stan is seen warming up his light plane before taking off on his paper route.

PLUDGE SERVICE FOR CHRISTIAN CHURCH

At 10:45 a.m. Sunday financial pledges for 1950 will be presented at the Central Christian church worship hour by the members of the church. A special consecration service will mark the day's observance.

Letters announcing the special service and the other arrangements have been planned by the finance committee, of which the members are Lee Sullivan, Frank Plouder and John Chapman. Those unable to be present at the Sunday service are asked to mail their pledge card to the church office.

Miss Gladys Gewe Talks On Travels At Winchester

Winchester. A traveling presented by Miss Gladys Gewe, Springfield music teacher, on a year spent in London and other parts of Europe was the main feature of the Winchester F.T.A. meeting at 8 p.m. Thursday, Nov. 17. Miss Gewe spoke on her experiences and exhibited slides of photographs taken in Rome, the Alps, London and other places of interest.

Mrs. Jesse Butzback read a paper by Mrs. Madeline Pittenger entitled "What Has Happened to Summer Roundup?", an explanation of the medical program for school children. The senior girls' quartet song, accompanied by Miss Nancy Henderson, was the closing number.

The business meeting was led by the president, Mrs. Thelma Wilson. It was announced that the group had netted \$139 on their bake sale, and that a chili supper is planned for the near future.

Refreshments were served by the sixth- and five-grade mothers. The chairman was Mrs. Raymond Slagle and Mrs. Fred Fletcher.

Delta Nu Chapter Holds Initiation Tuesday Evening

In a beautiful candlelight ceremony pledges Marian Thomson, Elizabeth Dowland, Elizabeth Itenbach, Marietta Vasconcellos, Agnes Morality and Virginia Awarner were formally initiated into the Delta Nu chapter of Delta Theta Nu sorority on Tuesday evening at the Dunlap Hotel. The ceremony was conducted by Almyra Jackson, Milfred Heath, Jane Doyle, Helen Little, Mary Carr Smith, Frances Hubbs, Ella Hudson, Lucy Clancy, Grace Queen, Lucille Chandler and Rosetta Magner.

Following the initiation a formal dinner was held at 6:30 p.m. The tables were beautifully decorated with fall flowers, leaves and white tapers. The centerpiece of the speaker's table was a large bouquet of flowers, the gift of Mrs. Helena Lukeman, patroness, who was unable to attend. Special guests at the dinner were Mrs. Paul L. Kelly, national treasurer of South Bend, Ind.; Mrs. Mabel Gregory, patroness, formed the double ring ceremony at the Christian church parsonage; Mr. and Mrs. Floyd Ballard of Roodhouse were the attendants.

The bride was attired in navy blue with white accessories and wore a corsage of white gardenias. Her attendant wore grey with a corsage of yellow gardenias.

The dinner was served to the wedding party at the Mill in Springfield, after which they left on a short wedding trip.

The bride was a graduate of the Winchester high school with the class of 1948 and was also a graduate of Lockwood Beauty School, Jacksonville. The groom was a graduate of the White Hall high school with the class of 1933. He served five years with the U.S. Army Air Corps.

He is at present employed in Winchester, where they are residing.

Permits Filing Of Complaint Against Assessment Law

Springfield, Ill., Nov. 18.—(AP)—Circuit Judge Dewitt S. Drow today permitted the filing of a complaint challenging validity of the new law creating the office of county assessment supervisor.

He ordered the Illinois attorney general's office to answer the complaint by Nov. 23.

A petition for leave to bring the test case was filed a week ago by Edward C. Giebelhausen of East Peoria as a taxpayer. Three organizations of county and township officials are sponsoring the suit.

After the circuit court rules on the constitutionality question, an appeal is expected to be taken to the Illinois supreme court.

The 1949 act setting up the new office to handle property tax assessments applies to all counties except Cook and St. Clair.

URGENT REINSTATEMENT OF VET POLICIES
Springfield, Ill., Nov. 18.—(AP)—The Illinois veterans commission today urged veterans to reinstate their national service life insurance.

The commission said that of 5,738 veterans who died in Illinois last year nearly 1,700 were world war veterans.

Local Driver Held After Accident Near Alexander

J. E. Hammer, 29 year old Jacksonville negro, was being held in the county jail last night on charges of driving without a license and illegal parking on a highway.

His arrest by State Highway Patrolman W. T. Hall stemmed from an accident at 8 p.m. Friday in which Mrs. Marjorie Kanatzar, 1814 Monmouth avenue and her two year old daughter, Constance Jean, were injured.

Patrolman Hall said Hammer, accompanied by Alvin Wylie also of Jacksonville, was driving west on Route 36 when Hammer's truck stalled about 200 yards west of the Morgan-Sangamon county line. The truck was parked, without lights, on the highway, Hall said.

Dr. O. L. Kanatzar, biology instructor at MacMurray college, saw the parked truck and drove to the left, but he struck the corner of the truck.

His wife and daughter were brought to Passavant hospital. Mrs. Kanatzar sustained a broken collarbone and a laceration of the chest. Her daughter escaped with slight cuts. Dr. Mary Louise Newman was the attending physician.

The Kanatzar automobile, a Frazer, was badly damaged.

Lutheran Ladies Donate To Chest, Plan Xmas Party

The Ladies' Guild of Salem Lutheran church sponsored their annual bazaar and market at the regular meeting on Thursday afternoon.

The Guild voted to contribute \$20 to the Community Chest and to give \$10 to the Lutheran Bethesda Home.

Mrs. P. J. Davidmeyer, president, announced that the Guild will hold a Christmas party on Dec. 22 at 2 p.m. The committees in charge of the arrangements are: program committee Mrs. R. H. Davidmeyer, chairman; Mrs. Walter Deffner, Mrs. O. J. Klinkemann, Mrs. C. H. Muehlhausen, Mrs. Larry Ounderson; refreshment committee — Mrs. Leola Perlick, chairman; Mrs. Earl Boucher, Mrs. Lambert Brockhouse, Mrs. John Elbert, Mrs. William C. Meyer; decorations — Mrs. William Sheerley, chairman; Mrs. E. J. Kormeyer, Mrs. Marion Rugs.

Rev. O. J. Klinkemann closed the meeting with prayer.

Ninalee Young, Woodrow Tatman Married In Scott

Winchester—Miss Ninalee Young, granddaughter of Mrs. Emma B. Patrick, became the bride of Woodrow Tatman, son of Lukeman, patroness, who was unable to attend. Special guests at the dinner were Mrs. Paul L. Kelly, national treasurer of South Bend, Ind.; Mrs. Mabel Gregory, patroness, formed the double ring ceremony at the Christian church parsonage; Mr. and Mrs. Floyd Ballard of Roodhouse were the attendants.

The bride was attired in navy blue with white accessories and wore a corsage of white gardenias. Her attendant wore grey with a corsage of yellow gardenias.

Reds Demand U.N. Unseat National China Delegation
New York, Nov. 18.—(AP)—Red China demanded today that the United Nations unseat the Chinese nationalist delegation but made no immediate claim to U. N. membership.

The communists told the U. N. the nationalists are in exile and their remnants forces in China soon will be eliminated.

Secretary-general Trygve Lie ruled against circulating the nationalist demand to the 59 member nations. He put it into the file of messages from non-member governments and told reporters:

"They (the communists) cannot get recognition by the secretary of the secretary-general through the back-door."

Lie explained this followed a U. N. practice started in 1946. He said if any delegation wanted to ask for this document and circulate it as its own communication it has that right. He said the delegation also would have to take responsibility for such action.

George B. Conover Dies In Louisiana
George B. Conover of New Orleans, La., a former resident of this city, died Thursday night at his home.
